

# Super Stars Scavenger Hunt

Work out the answers to the riddles below and go on a nature walk to try and find all of the items. You can take pictures, draw them, paint them or collect them (if appropriate)

## Good luck and have fun!

I'm the first flower of the year, I come out in the snow, I'm white and I'm pretty, in woodland I grow!

Look up ahead, can you find a bird with markings of red? Maybe a Robin, Goldfinch or Redwing? (bonus points if you hear it sing!)

I eat nuts and seeds, I'm cute and grey, my bushy tail is my giveaway!

I fall from the Pine and I am not just for Christmastime!

I'm made by a spider but I'm not alive, my job is to catch flies for my maker to survive!

I'm printed in the mud and used for being found, is it a bird, fox or Gruffalo? Or even a hound?

I fall off the oak tree, I feed birds, deer and mice but don't try to eat me, I don't taste very nice!

I'm yellow, common and Dandy too; I have a clock but no mane and a big cat in my name!

If you could, find an unusual shaped piece of wood (bonus points for an initial of your name, this is a tough game!)

I am used as a pizza topping and I am a fun guy, but don't touch me or eat me as you might die!

The final quest has no restraint, find the most beautiful leaf and draw, stick or paint!
